Elys Tower 14

Sleek and Stylish

Designed to redefine the in-store experience, Elys Tower comes in an ultra-thin aluminum design, setting a new standard for functionality and style in the retail environment.

Dual Screens

A customer display is added to the Elys Tower, so you can engage with your customers while efficiently managing transactions. Choose between a 7-inch or 10.1-inch screen.

High-Speed Printing

The 3-inch 220mm/s high-speed printer is integrated with an automatic cutter to make every transaction faster and smoother without any paper jams. With both receipt and label printing supported, the advanced printer increases flexibility.
